

WHAT OTHERS SAY

NOT JUST ANOTHER VENDOR

I have been working with Craig for over 12 years. Each time that Craig has been in charge of an event or picture day there has been a noticeable difference in almost every aspect. The quality is excellent and the pictures are always on time or in most cases early. In the rare instances that there were any problems Craig took care of them immediately. His customer service and response time is excellent. He is great with the students and makes being photographed fun for them and easy for me. What's more is that Craig anticipates the things that I as a class sponsor and yearbook adviser need. He has also volunteered to photograph other events that were not covered under our contract just to support us. We will be using Craig W. Davis and Associates Photography as long as I am in charge of any function at PRP that requires photography. Working with Craig will be the best decision you will make for your school or organization.

PICTURE DAY

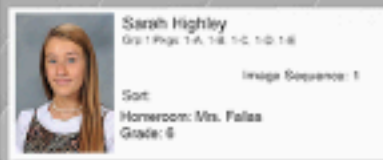

BE HAPPY

It is our goal to make picture day run like any other day, with very little disruption. Order forms, posters and anything else needed will be provided well in advance. To ease the ordering process for parents, we offer online ordering in advance as well as after picture day. We provide multiple set-ups with redundancy so we never have to stop for equipment failure. We also provide adequate "kid safe" staff to keep things moving smoothly.

DELIVERY DAY

KEEP YOUR STAFF HAPPY

Every student's package is placed in an attractive window envelope, sorted the way you choose for quick and easy distribution. Each envelope is clearly labeled with complete information. They can be bundled by class so distribution is effortless.

THE LOCAL DIFFERENCE

WHAT TRULY LOCAL MEANS

WHY CHOOSE A LOCAL STUDIO?

- Quick response to your needs.
- Local phone call or short drive away.
- Parents, students, and staff receive face to face service by being a local business with office hours.
- An in house lab so we can provide the occasional "emergency" service that may arise. Work can be done the same day if needed.
- Our tax dollars are returned to the State of Kentucky and local government supporting our schools and community.

Bottom Line!

Our clients are our neighbors, friends, church family; our reputation matters.

WHO ARE WE

Craig W. Davis & Associates Photography is a locally owned family business that operates in the Louisville area. We have a team of photographers and production assistants to photograph all things school and sports related. Craig started his business in 1992 striving to deliver top quality portraits at an affordable price. With more than two decades of creative and management experience, Craig has fine-tuned not only the creative art of photography but being an ethical business leader within the Louisville community. Craig W. Davis & Associates Photography is the culmination of more than 20 years experience, honors, and recognition by such organizations as PPA, SPI KPPA, Fuji and Kodak. From the dedicated beginnings of 20 years of service in the United States Navy to the launching of his photography business, Craig has relied on his strong work ethic and faith. Craig has a degree from the Art Institute of Ft Lauderdale and a Masters Photography Degree from SPI. When he is not photographing you can find him spending time with his awesome wife Karen and their 5 children.

OUR MISSION

Craig W. Davis & Associates Photography's mission is to offer and provide the best quality school portraits of K-12 students, faculty and staff. We want to foster long term relationships and to support our schools and community. We pledge to exhibit high morals, strong character, and sound business practices while exceeding the needs of administrators, teachers, parents and students.
